Cody Double Outdoor Wall Light

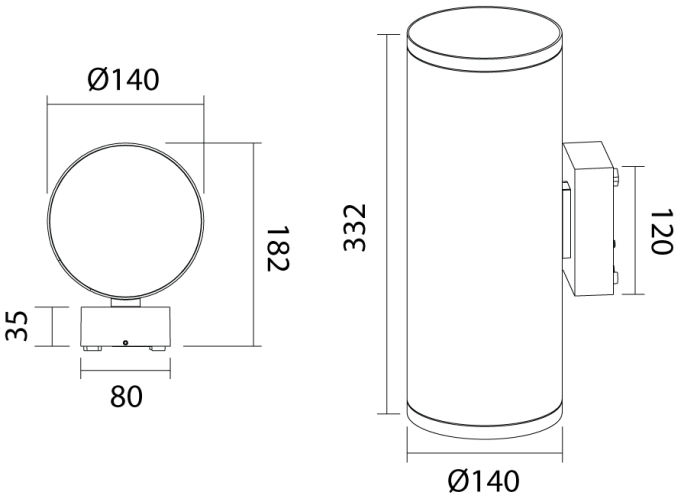

by

Featuring high-quality construction and a minimalist aesthetic, the Cody Double is a heavy-duty exterior wall light specially designed for commercial projects. Cody is built to withstand harsh exterior conditions, with ingress protection of IP65, impact protection of IK08, and a sturdy aluminium body with anti-corrosive coating. Available in anthracite finish with a 60-degree reflector, Cody emits a high-powered light both upwards and downwards. Optional 24-degree and 36-degree reflectors are available on request. Cody is ideally suited for large-scale commercial applications, such as building facades.
