

MAS S/CORDEA/P/INT/DARK NICKEL/BROWN

Cordea Pendant

by Favaretto&Partners

Cordea pendant light was born out of the desire to reinterpret the classic industrial lamp with an aluminium lamellar head, from an aesthetic and material perspective. The galvanised metal structure is decorated with a leather strap for a unique contemporary look. A white frosted glass diffuser and inbuilt LED source produces an ample and widespread illumination. Design by Favaretto & Partners.
