

VI S/PUPPET/R12/BLACK/AMBER

Puppet Round Pendant

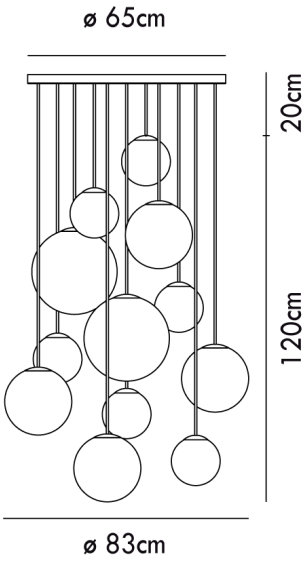

by Romani Saccani Architetti Associati

Contemporary lighting system featuring up to 24 hanging mouth blown crystal pendants, suspended from a round mounting plate affixed to the ceiling. Every version of the PUPPET ROUND utilizes a combination of small, medium, and large sphere pendants to create an elegant composition. Each glass diffuser features an irregular lined degrade finish, producing a soft cloudy pattern on surrounding surfaces. Available in various sizes and colour options.
