## Salina Exterior Pendant

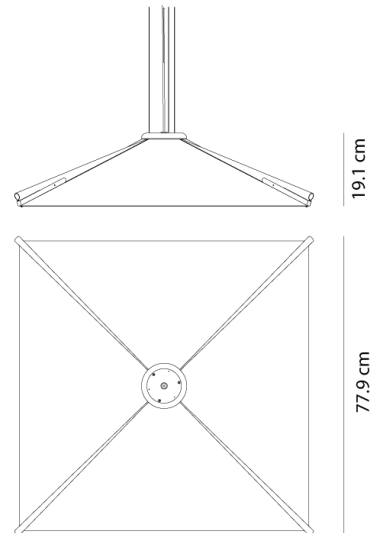

by Francesca de Giorgi

Salina, an ethereal pendant lamp, features a lightweight design with soft lines. Gracefully suspended, it casts captivating shadows while illuminating the area below. Crafted from folded fabric with four pinces, it achieves a dynamic balance of lines and curves, resembling a watercolor painting. Salina has an ingress protection rating of IP55 and is suitable for high humidity indoor spaces and outdoor areas like porches, loggias, terraces, and gardens. The shade is composed of fabric by Kvadrat and is available in cream, vanilla, granite, or rose sand finish.
