Vegetal Pendant

by Marcantonio Raimondi Malerba

The VEGETAL pendant collection by Cangini & Tucci has the power to capture attention wherever they are hung. Designed around the concept that there can be no life without light, Vegetal recreates the feeling of light filtering through leaves. Harmoniously blending sculptural metal elements with the finest Italian blown glass, the Vegetal oozes total sophistication in three elegant designs: Ficus, Pilea and Calathea. Available in satin gold and black satin nickel finishes with a variety of coloured transparent glass diffusers.
