

SI MAG/PORTABLE/LED/WALL-CEILING BUNDLE

Mag Wall/Ceiling Bundle

by Studio Italia

Mag is a portable, rechargeable LED light. Mag attaches to it's base through a strong magnetic contact, allowing the light to be adjusted to any angle while being easy to remove when it is needed elsewhere. Mag is equipped with a built-in 1.5W LED and features a 3-step dimmer switch. Powered by a rechargeable lithium battery which provides a up to 5hrs illumination on full power, or up to 20hrs on low. An impeccable build quality with a class III IP44 rating means Mag is water resistant and can be used as a temporary outdoor light for camping or the patio. Mag Bundle includes the Mag Light with 2 x bases which can be installed on wall or ceilings. Available now for the special price of \$89 only while stocks last.
