

RO A/ANTARES/W2/DALI/3K/GRAPHITE

Antares Wall Washer

by

Antares is an aluminum wall lamp that provides direct lighting with an asymmetrical and diffused intensity, creating a uniform and harmonious ceiling illumination. Its minimalistic design renders it a versatile fit for diverse environments, augmenting the architectural features of illuminated spaces by adding depth and height. Antares surpasses its counterparts in terms of luminosity, and its light intensity can be easily adjusted through a PUSH or DALI system.

Supplier	Rotaliana
Country	Italy
SKU	RO A/ANTARES/W2/DALI/3K/GRAPHITE
Finish	Graphite
Dimming	DALI

Product Dimensions

Materials	Aluminum	Source	43W LED	Colour Temp	3000K
Output	4000lm	CRI	90	IP Rating	IP20
Dimming	DALI
