

AX A/PARALELA/1/WHITE

Paralela 1 Wall Light

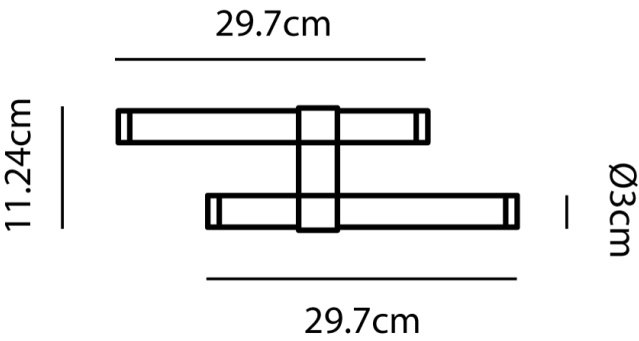

by Nahtrang Studio

Paralela is a modular lighting system created by Nahtrang Studio from Spain. The aim was to turn light into a tangible decorative element. This led to the design of borosilicate glass cylinders connected by Nylon PA12 connectors. These cylinders use gravity to stay in place and create a neat arrangement that interacts visually with light, forming a beautiful display. This version of the Paralela combines two LED elements and a connector to create a single wall light. Available in white or grey finish.

Designer	Nahtrang Studio
Supplier	Axo Light
Country	Italy
SKU	AX A/PARALELA/1/WHITE
Finish	White

Product Dimensions

Materials	Borosilicate Glass tube, 3D Printed Nylon (PA12) connection point
Output	2 x 315lm
Dimming	Dependent on driver

Source	2 x 4W LED
CRI	>90
Notes	24v driver required (not supplied), must be installed remotely.

Colour Temp	3000K
IP Rating	IP20
