Dalma Floor Lamp

by Marcantonio Raimondi Malerba

Dalma, a new lighting design by Marcantonio for Cangini & Tucci, merges technology with aesthetic exploration. Its wave-like shapes evoke natural phenomena, creating an abstract, luminous presence. The design features a glass exterior enclosing a curvaceous core, with the dimmable LED source exuding a warm, dynamic essence. Dalma floor lamp is available in two sizes in a variety of finish combinations. Made in Italy.
