

RO A/STRING/W1/TW/BLACK/ORANGE

String W1 Wall Light (TW)

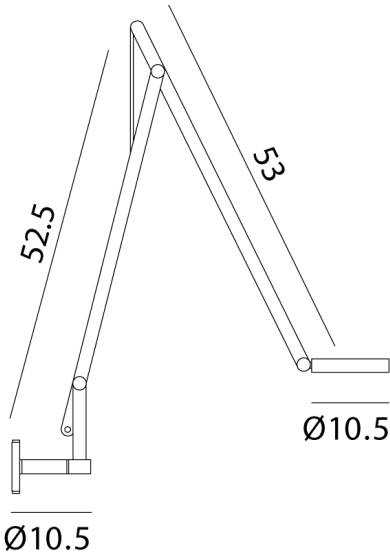

by Dante Donegani and Giovanni Lauda

The String W1 Wall Light by Rotaliana realises modern design in a highly functional form. The adjustable head, made of moulded plastic, is easy to handle thanks to its ring shape. Two adjustable arms in extruded aluminium are balanced by an elastic cable, sheathed in synthetic-coloured fabric. A touch-sensitive tuneable-white switch within the lamp's head adjusts the LED light's luminosity and colour temperature (2500K to 4000K). String W1 comes with flex and plug for easy installation (not hard wired). Available in various contemporary finishes with three cable colour options. Made in Italy.

Designer	Dante Donegani and Giovanni Lauda
Supplier	Rotaliana
Country	Italy
SKU	RO A/STRING/W1/TW/BLACK/ORANGE
Finish	Black
Cable Colour	Orange

Product Dimensions

Materials	Aluminium, moulded plastic
Output	700lm
Dimming	Push button tuneable white/dimmer

Source	9w 24v LED
CRI	90
Notes	Flex and plug (not hard wired)

Colour Temp	2700-4000K
IP Rating	IP20
