VI PL/MODULOR/G/3000K/WHITE

Modulor Ceiling Wall Light

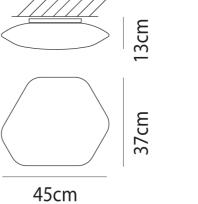

by Pio and Tito Toso

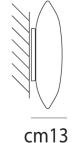

The Modulor collection, designed by architects Pio and Tito Toso, offers a modular lighting solution made from blown glass that is perfect for both large and small spaces. Its unique hexagonal shape can be mounted individually or combined with other elements to create custom compositions, either on walls or suspended. The thin glass, crafted by Vetreria Vistosii¿½s master glassblowers, gives Modulor a modern yet versatile aesthetic suitable for classic environments. With integrated LED technology, the lamps provide uniform, diffuse, and glare-free lighting.

Product Dimensions

Designer	Pio and Tito Toso		
Supplier	Vistosi		
Country	Italy		
SKU	VI PL/MODULOR/G/3000K/WHITE		
Size	Large		
Version	LED		

Materials	Blown Glass	Source	19W LED	Colour Temp	3000K
Output	2850lm	IP Rating	IP20	Dimming	PHASE CUT
