

PH ART CASTORE - 001

Artemide Castore Pendant

by Michele de Lucchi

Castore features a hand-blown white glass spherical diffuser with a removable luminous stem that creates a gentle transition from focused to ambient light. Crafted with zamac base, thermoplastic resin stem, and opal glass, it emits a soft, warm glow ideal for creating tranquil atmospheres in residential, hospitality or commercial spaces. Castore is available in table lamp, floor lamp and pendant versions. Made in Italy by Artemide.
