Mossa Portable Table Lamp

by

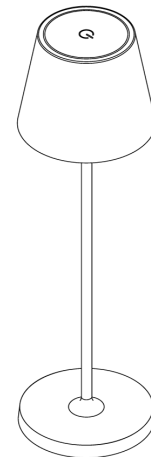

Mossa is a versatile, portable table lamp with a sleek, contemporary design that complements any space, including bedrooms, bars, restaurants, and reading areas. Rechargeable via a USB base, it features energy-efficient LED technology and a touch-sensor on top for stepless dimming and three-stage color temperature adjustments. With an IP54 rating, it is suitable for outdoor and wet environments, making it perfect for commercial use. The cone-shaped shade and durable powder-coated aluminium base provide a chic look, while its wireless design offers maximum flexibility, delivering adjustable, comfortable lighting for various applications.
