## Laguna Table Lamp

by Matteo Thun & Partners

Designed by Matteo Thun and Antonio Rodriguez, the Laguna Table Lamp brings a sense of quiet elegance to any interior. Inspired by the soft light and misty atmosphere of the Venetian lagoon, its hand-blown glass diffuser rests atop a cylindrical metal base, casting a gentle glow across surfaces while illuminating the room with warmth. Available in three sizes and finished in satin brass or satin bronze. Its harmonious curves and softly diffused light make it a timeless addition to any space—where craftsmanship, atmosphere, and design meet.
