ART 1352150APP

Altrove Wall Ceiling Frame

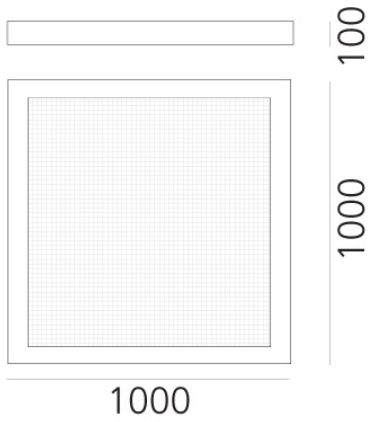

by Carlotta de Bevilacqua

A frame creates a volume of coloured light which interacts with the mirror surface on the bottom and with the incisions on the transparent front surface which extract the light. In a game of re- flections, the space is no longer one, instead becoming multiple or simply other, an illusory perception of reality that takes you to a new place, altrove (literally, elsewhere).

Designer	Carlotta de Bevilacqua
Supplier	Artemide
Country	Italy
SKU	ART 1352150APP
Size	1000mm

Product Dimensions

Weight	32.3kg	**Materials**	Methacrylate, aluminium	**Source**	82W LED
Colour Temp	3000K	**Output**	3248lm	**CRI**	90
IP Rating	IP20	**Dimming**	Push + Artemide APP
