Chlorophilia Pendant

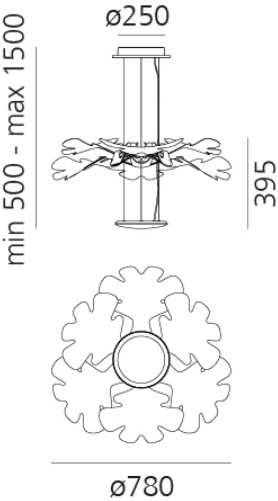

by Ross Lovegrove

Chlorophilia is a sculptural pendant light that brings nature-inspired elegance into contemporary interiors. Designed by Ross Lovegrove, its flowing leaf-like elements in transparent technopolymer cast delicate shadows while diffusing soft, ambient light. Available in single or layered configurations, the system creates a dynamic interplay of light and form. Suspended from a minimal aluminium canopy, it offers a striking yet organic presence - perfect for open spaces and feature settings.

Designer	Ross Lovegrove
Supplier	Artemide
Country	Italy
SKU	ART 1628010APP
Size	Single

Product Dimensions

Materials	Methacrylate, technopolymer, aluminum
Output	3146lm
Dimming	Non-dimmable

Source	44W LED
CRI	90
Notes	Artemide APP compatible

Colour Temp	3000K
IP Rating	IP20
