ART 1293010A

Edge Wall / Ceiling Light

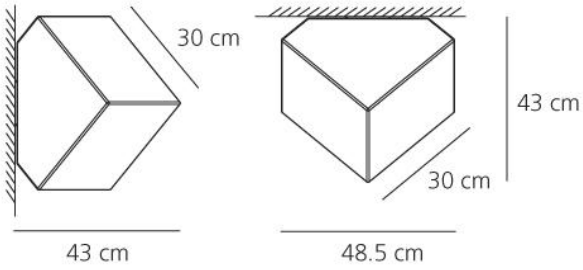

by Alessandro Mendini

Edge is a geometric lighting piece that plays with balance and simplicity. Designed by Alessandro Mendini, its cube-like form appears to float, casting soft, diffused light from within. With an IP65 rating, Edge is built to perform both indoors and out - resistant to dust and water, yet refined enough for interior spaces. Whether wall-mounted or ceiling-fixed, it brings architectural clarity and ambient warmth to any setting.

Designer	Alessandro Mendini
Supplier	Artemide
Country	Italy
SKU	ART 1293010A
Size	30

Product Dimensions

Weight	2.1kg	**Materials**	Technopolymer	**Source**	1 x E27 LED (12W Max)
Emission	Diffused	**IP Rating**	IP65	**Dimming**	Dependent on globe
