

ART 1780015A

Zephyr Table Lamp

by Carlo Colombo

This table lamp version brings Zephyr's sophisticated design language to intimate settings, delivering 14W of power with 513lm of warm 3000K light. Available in black or grey finish to complement both modern and traditional interiors. Zephyr exemplifies Artemide's commitment to combining Italian craftsmanship with innovative optical engineering, creating lighting that is both a functional tool for illumination and a distinguished design statement. Made in Italy.
