

ARCO VEER 9W 3000K - 219

Veer Surface Downlight

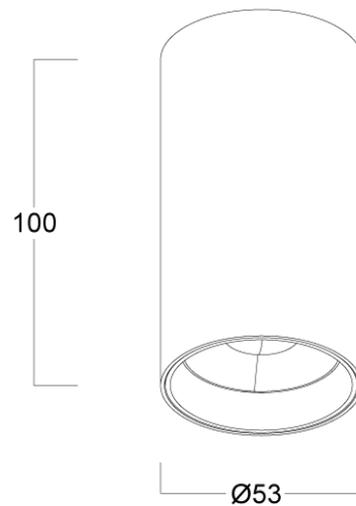

by Arcolight

The Arcolight Veer Surface Downlight is a compact adjustable spotlight designed for direct surface mounting. Equipped with a 9W LED delivering 850 lumens with 90 colour rendering index and SDCM less than 2 for consistent colour accuracy. Available in 15-degree 24-degree 36-degree and 50-degree beam angles for versatile beam control. TRIAC dimmable. Available in various finishes with black or gold trim options. The Veer Surface Mount Light is part of the Arcolight collection showcasing premium architectural lighting curated by Studio Italia.
