ART PL/TETI/TRANS/ORANGE

Teti Ceiling / Wall Lamp

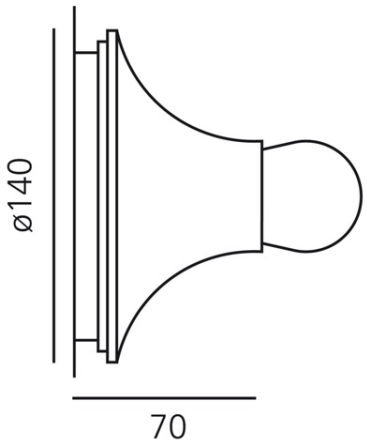

by Vico Magistretti

A timeless Artemide design since 1967, Teti combines minimalist elegance with intelligent functionality. Its iconic conical silhouette-reminiscent of a chess piece-features a thermoplastic body that emits soft, diffused light, ideal for ceilings or walls. Available in anthracite, white, orange, or transparent finishes, Teti's discreet yet striking form adapts seamlessly to residential or commercial spaces. The clean lines highlight the bulb while maintaining a balanced glow, proving that true design never goes out of style. Made in Italy by Artemide.
