Logico 3 Ceiling Light

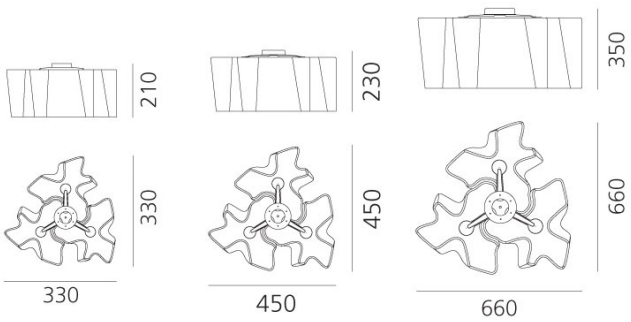

by Michele De Lucchi, Gerhard Reichert

The Artemide Logico Triple Nested Ceiling Light features handblown Venetian glass diffusers in a distinctive organic shape. Designed by Michele De Lucchi and Gerhard Reichert this ceiling-mounted luminaire showcases three artfully arranged glass shades that create beautifully diffused ambient lighting. The refined satin-finished blown glass maintains its elegant appearance both when illuminated and off. The die-cast aluminium frame with matte grey finish provides robust support for the modular configuration. Perfect for dining rooms living spaces and commercial interiors where architectural statement lighting is desired.
