Eclisse x Squid Game – Special Edition Table Lamp

by Vico Magistretti

Eclisse x Squid Game reimagines Vico Magistretti's iconic 1965 lamp-winner of the 1967 Compasso d'Oro-through the bold lens of Netflix's global hit. This collector's release features three exclusive versions inspired by the series' iconic roles: the Player, the Pink Guard, and the Black Officer.

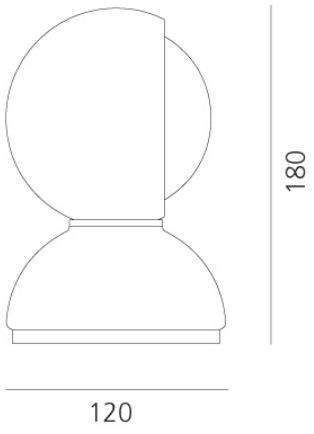

Each edition showcases a unique color palette and character-driven details, with the Pink Guard and Black Officer models including a removable magnetic mask. A striking fusion of Italian design and pop culture, this Special Edition transforms a design classic into a storytelling statement piece.

A global icon of Italian design, Eclisse stands out for its clever light control system: with a fixed outer shell and a rotating inner shade, the lamp allows the light source to be "eclipsed," offering both direct and diffused illumination.
