Altrove Pendant

by Carlotta de Bevilacqua

A frame creates a volume of coloured light which interacts with the mirror surface on the bottom and with the incisions on the transparent front surface which extract the light. In a game of re- flections, the space is no longer one, instead becoming multiple or simply other, an illusory perception of reality that takes you to a new place, altrove (literally, elsewhere).

Designer Carlotta de Bevilacqua

Supplier Artemide

Country Italy

SKU ART 1340150APP

Finish Aluminium

Product Dimensions

Materials Methacrylate, aluminium

Source 82W LED

Colour Temp 3000K

Output 4699lm

CRI 90

IP Rating IP20

Dimming Non-dimmable

Notes 200cm max drop
