# Droplet Mini Wall / Ceiling Light

by Ross Lovegrove

Droplet Mini is a sculptural ceiling light that captures the fluid elegance of liquid metal. Designed by Ross Lovegrove, its die-cast aluminium form reflects light like ripples frozen in motion - creating a dynamic interplay of texture and glow. Digitally modelled and organically inspired, Droplet combines high-performance LED technology with artistic expression. Its reflective surface and soft ambient light make it a striking centrepiece for contemporary interiors.
