

ARCO CORA - 002

Cora Step Light

by Arcolight

The Cora Step Light is a minimalist, low-profile step light suited to exterior stair, path and landscape applications. Equipped with a 2W LED delivering 90lm at 3000K with a 50-degree beam and 90 colour rendering. Rated IP65 for exterior use, with an optional recessed sleeve included for flush installation. 24V DC driver sold separately. Available in textured black or white finish. The Cora Step Light is part of the Arcolight collection of premium architectural lighting, curated by Studio Italia.
