Clos Floor Lamp

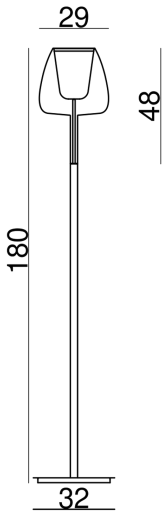

by Pietro Tucci

Inspired by the elegance of wine and the warmth of shared moments, the Clos Floor Lamp by Cangini & Tucci is a celebration of Italian glassmaking and convivial design. Its hand-blown glass shade, crafted with the finesse of a wine glass, casts a soft, embracing glow through refined transparent hues. With its internal diffuser and shimmering reflections, Clos brings a sense of intimacy and tradition to any space-an invitation to pause, connect, and enjoy the beauty of light.
