Rina Pendant

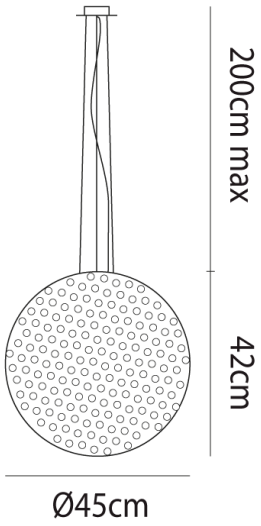

by Barbara Maggiolo

Designed by Barbara Maggiolo for Vistosi, the Rina Pendant is inspired by the dandelion's feathery seed head. Fine white murrine are worked into the glass during blowing, creating a mottled surface that conceals the light source and casts a soft, speckled glow. The Rina Pendant comes in four sizes that can be combined in groupings. It is offered in four metalware finishes, as a lampholder or dimmable LED version. Handmade in Italy by Vistosi.
