Kiss Ceiling Wall Light

by Axolight Lab

Designer

Finish

Version

The Kiss Ceiling Wall Light brings together a few carefully chosen elements with effortless elegance, creating refined objects where attention to detail is paramount. Blown glass spheres transform into pure light, gently resting on coloured metal discs that seem to float in space. Advanced technology operates seamlessly within, enhancing the overall experience. Surface-mounted or recessed version for wall or ceiling applications. Available in a variety of sizes and finish options, with 2700K versions available on request.
