

AX SPKI1001X30ERXX

Kiss Pendant

by Axolight Lab

The Kiss Pendant Light brings together a few carefully chosen elements with effortless elegance, creating refined objects where attention to detail is paramount. Blown glass spheres transform into pure light, gently resting on coloured metal discs that seem to float in space. Advanced technology operates seamlessly within, enhancing the overall experience. Available with surface-mounted or recessed canopy in a variety of size and finish options, with 2700K versions available on request.
