Rina Ceiling Light

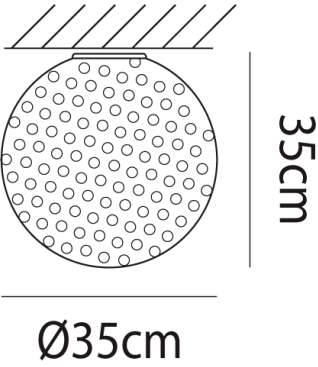

by Barbara Maggiolo

Designed by Barbara Maggiolo for Vistosi, the Rina Ceiling Light is inspired by the dandelion's feathery seed head. Fine white murrine are worked into the glass during blowing, creating a mottled surface that conceals the light source and casts a soft, speckled glow. Rina is available in three sizes, with matt steel (25 and 35 version) or matt white (42 version) metalware. Handmade in Italy by Vistosi.
