

ART PL/TETI/YELLOW

Teti Ceiling / Wall Lamp - Matte Edition

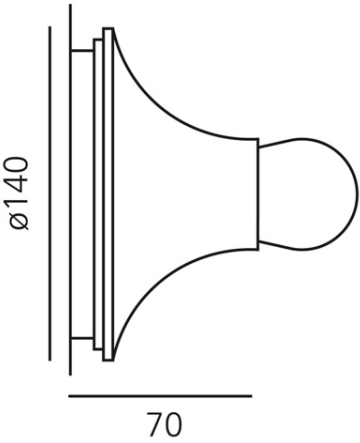

by Vico Magistretti

Part of a special collaboration between Artemide and Danese Milano, the Teti Matte Edition ceiling wall lamp presents a timeless Artemide design through a fresh chromatic lens. The Matte Edition brings together finishes from two limited edition collections, offering the Teti's iconic conical silhouette in six exclusive colours: Yellow, Blue, Blue Klein, Green, and Lavender from the Colour Matte Collection, alongside the deep, glossy Ruby Red. A fixture in the Artemide catalogue since 1967, Teti's form, reminiscent of a chess piece, features a thermoplastic body that emits soft, diffused light from either ceiling or wall. Across these finishes, the Teti's essential simplicity takes on a new visual strength; its clean lines and balanced glow, normally designed to recede, instead become a focal point within the space. The Teti Matte Edition ceiling wall lamp is made in Italy by Artemide.

Designer	Vico Magistretti
Supplier	Artemide
Country	Italy
SKU	ART PL/TETI/YELLOW
Finish	Yellow

Product Dimensions

Weight	0.3kg	Materials	Translucent polycarbonate	Source	1 x E27 LED (12W Max)
Emission	Direct	IP Rating	IP20	Dimming	Dependent on globe
