

String W0 Wall Lamp

by Dante Donegani and Giovanni Lauda

The String W0 Wall light is part of the String collection by Rotaliana. The adjustable head made with moulded plastic is easily handled and offers flexibility in positioning the direction of the light beam. The structure of the two arms is made of extruded aluminum. The movement is balanced by the elastic cable, sheathed in synthetic coloured fabric. The String W0 also features a push sensitive dimmer that controls the light source. The String comes in Silver or Matte White or Black with White, Black or Orange fabric cabling.
