

## String Mini T1 Table Lamp

by Dante Donegani and Giovanni Lauda

The String Mini T1 is sleek and practical table lamp thanks to its adjustable arm and rotatable head. It's small size makes it ideal for desks or bedside lighting. The hidden push dimmer on the lamp head continues the simplistic design aesthetic while providing touch-sensitive adjustment of the LED light source. The String Mini Table Lamp is available white, black, bronze, champagne, graphite or silver finish with white, black or orange cable.
