

## Fedora Suspension Light

by Dima Loginoff

Contemporary and traditional design is combined in the Fedora Suspension Light. Inspired by the Russian matryoshka doll, the transparent geometric detailed glass diffuser is complemented by polished aluminium, exuding elegance within a space. Each pendant light takes 1 x GU10 LED, making it an excellent choice for hospitality and retail applications as well as domestic. Fedora is available in a variety of formations in bronze, chrome or rose gold finish. Design by Dima Loginoff.
