

Prince Floor Lamp

by Dante Donegani and Giovanni Lauda

The Prince is a minimal and elegant floor lamp that will light up your room with indirect light. Its LEDs are hidden in the top part of the lamp - the "Crown". The LEDs glow an upward beam while also creating a bright indirect pattern downwards. The Prince, provided with a switch/dimmer on the stem, is light and compact making it easy to grab and move around. The Prince can come in White (matte), Graphite, Silver, Black (matte), Bronze or Champagne.
