Coral Pendant

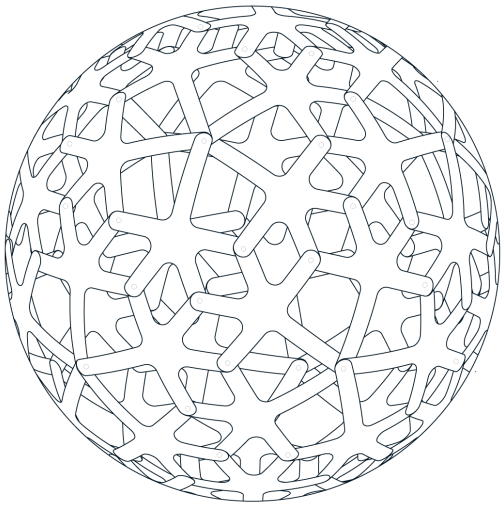

by David Trubridge

The Coral Pendant Light by David Trubridge, inspired by nature and geometric polyhedra, is a design classic and David's first lighting creation. Made from a single component repeated 60 times, it combines intricate craftsmanship with versatility. Available in five sizes and a range of finishes-including natural or painted bamboo-it can be used as a striking single piece or arranged in clusters for dramatic effect. Coral's timeless design has won numerous awards and remains a popular choice for contemporary interiors. It can also be adapted as a table lamp, offering endless possibilities for any space.
