Spigolo Wall

by Studiocharlie

The SPIGOLO design is based on an extruded and tubular aluminium structure, connected with moulded ABS joints. Thanks to the joints, enabling the profiles to house LED sources, one can rotate 360 degrees in order to produce a directional direct or indirect lighting, screened by an opaline diffuser in polycarbonate. The wall version creates ambience in a versatile and a comfortable way.

Product Dimensions

Designer	Studiocharlie
Supplier	Nemo
Country	Italy
SKU	NE A/SPIGOLO
Warranty	2yr commercial / 3yr residential
Finish Options	Black, White
Version Options	3000K
