## Acquatinta XL Pendant

by Michele de Lucchi

Based on the classic Acquatinta pendant which was designed and first produced by Michele De Lucchi in 1996, the Acquatinta XL provides the famous simple and delicate design in a large form. The artistic manufacture of Murano glass is a process with limited standardisation, for this reason each piece is subtly unique. Elegantly composed of blown glass and available in gloss white, transparent or diamond transparent finish. Made in Italy.
