## Vera Large Wall & Ceiling

by Marco Pagnoncelli

The versatile Vera lamp is composed of a large reflective base where a luminous brushed aluminium disc rests. The light disc be manually rotated 360 degrees, allowing the user to customise illumination. Vera is equipped with a high output LED and can be installed as wall or ceiling lamp. Available in a variety of sizes and finishes for any application. The large size and unique design of the Vera is ideal for feature lighting in contemporary spaces.
