

## Dobi Rod Pendant

by Chao-Cheng Chen

Dobi rod pendant by SEED Design is an extension of the Dodo collection, a design inspired by the comical bird from Alice in wonderland. Like the Dodo, the Dobi is equipped with dip switch, adjustable shade, and elongated dome shape which will soften a space. Unlike the standard Dobi pendant light, this version is supported by a fixed steel rod (60cm from canopy to shade base). Available in three finishes. Design by Chao-Cheng Chan.
