Koura Table Lamp

by David Trubridge

Designer

The droplet-like form of Koura mimics the curled form of our native freshwater shrimp koura, named by the indigenous Maori people. David was also inspired by the intricately made traps used by early Maori to catch koura. Thanks to a special adapter, the iconic Koura is now available as a table lamp with black or white base option. These smaller lights make excellent accent lamps, casting shadows against nearby walls.
