

Cupole Ang 3 Pendant

by Marco Zito

Cupole is a tribute to the skyline of Venice. Inspired by the churches that trace romantic curves across the Venetian horizon, Cupole's clean dome shape is accented with linear apertures which reveal the light source. Composed of a painted metal dome with an inbuilt LED. This three-light version of the Cupole pendant is ideal for feature lighting applications. Available in a variety of internal and external finish combinations. Made in Italy by Masiero.
