

Nappe XL Pendant

by Marco Zito

Made in Italy, the Nappe pendant collection is an expression of the Masiero's close ties to the region of Treviso. It is inspired by the 'nappine' (tassels), typically used to close curtains and adorn Venetian salons in days passed. Ten different tassel shapes have been stylised by disassembling and simplifying these decorative objects. Comprised of a painted metal frame with metal or Pyrex rods and Pyrex diffusors with an inbuilt LED source. The Nappe pendant lights are available in a wide variety of shapes and finish options, each version unique and perfect for contemporary applications.
