

Urban Pendant - 1st Edition

by Dima Loginoff

The Urban Suspension Lamp (1st edition) from Axolight features an elegant minimalist design for contemporary spaces. Made from aluminium and available in several colours and sizes. A built-in dimmable LED light source provides a diffused beam via internal reflectors. Various sizes and finishes of the Urban can be combined in cluster formations to create striking feature lighting installations. Designed by Dima Loginoff. This is the first edition Urban which has been superseded by a high-efficiency LCC version (see Urban Suspension Light in catalogue).
