

## Vegetal Palma Pendant

by Marcantonio Raimondi Malerba

The PALMA lamp, part of the VEGETAL collection by Cangini & Tucci, has the power to grab attention in any space in which it is hung. Designed around the concept that there can be no life without light, the Palma recreates the feeling of light filtering through leaves. Harmoniously blending sculptural metal elements with the finest Italian blown glass, the Palma oozes total sophistication. Available in satin gold and black satin nickel finishes, the Palma also comes with a variety of coloured transparent glass diffusers.
