Faro Ceiling Light

by Oriano Favaretto

The Faro ceiling light, by Oriano Favaretto for Vistosi, draws inspiration from lighthouses, serving as a symbolic link between sea and land. Two glasses, one with a transparent finish evoking the Venetian lagoon, and the other glossy white representing the mainland, are united by a metal ring-a central and safe lighthouse element. Concealed within the white glass is an LED light source, offering a diffused and non-sparkling glow. Faro, a visible design centerpiece, stands out in any space, embodying stability and recognition from all angles. Available in a variety of finish options.
