

Loop Ceiling Wall Light

by

Loop by Studio Italia is a highly versatile light fitting suitable for ceiling or wall applications. A 5W CCT LED provides three switch-controlled illumination modes (2700K, 3000K, 4000K), while the glass shade features an impact rating of IK05 for durability. Supplied with a 500mA low flicker trailing edge dimmable driver. Rated IP65 for use in bathrooms and exterior areas. Available in various glass diffuser versions, Loop is standard in white finish with alternative black option realised via additional decorative ring attachment. This version of the Loop is rated IP20 for interior use due to the coloured base ring. An IP65 version of the Loop Ceiling Wall Light for exterior use is also available in Black or White finish.
