

Loop Ceiling Wall Light

by Arcolight

The Arcolight Loop is a compact 5W wall or ceiling light suited to a wide range of residential and commercial applications. Three switch-controlled CCT modes - 2700K (250lm), 3000K (270lm), and 4000K (280lm) - provide flexibility across different settings. Supplied with a 500mA low flicker trailing edge dimmable driver and a CRI of >90. The toughened glass diffuser is rated IP65 and carries an IK05 impact rating, making Loop well suited to bathrooms, ensuites, and exterior areas. Four glass diffuser styles are available - Ebb, Fusion, Fusion Amber and Prisma - each offering a distinct visual character while maintaining the same robust performance. Standard in white finish, with an optional decorative ring accessory (sold separately) in black, white, brushed brass, chrome, dark bronze, or matt nickel. The Arcolight Loop is part of the Arcolight collection, curated by Studio Italia.
