

Radiant Surface Mount Light

by Arcolight

The Radiant Surface Mounted Light combines bold design with technical innovation, featuring a minimal cylindrical shape and superior color rendering. Rated IP44 and equipped with a dimmable LED, it is available in textured black or white finishes, along with various sizes, reflectors, and trim options. Ideal for both interior and exterior applications, including living areas, hallways, and concrete ceilings. Radiant can be converted to a pendant with the Radiant Suspension Kit (sold separately). Radiant Surface Mount is part of the Arcolight collection of premium architectural lighting. Curated by Studio Italia.
