

## Dioscuri Table Lamp

by Michele de Lucchi

Designed by Michele De Lucchi, the Dioscuri Table Lamp is a refined expression of minimalist design. Its spherical diffuser, crafted from acid-etched blown glass, emits a soft, even glow that enhances any interior with ambient warmth. Supported by a durable polycarbonate base and internal steel ballast for elegance and stability. Equipped with a convenient microswitch dimmer, Dioscuri allows for adjustable lighting to suit a variety of moods and settings. Available in four sizes. Made in Italy.
